RE: WASHINGTON'S HEADQUARTERS TOWNHOUSES
152 Broadway
Dobbs Ferry, New York
County of Westchester
State of New York

Gentlemen:

At your request, as sponsor, we have reviewed for inclusion in the Offering Plan for the above captioned 20 unit condominium being offered by you in the Village of Dobbs Ferry, County of Westchester, State of New York, the attached budget, which sets forth the estimated receipts and expenses for the first year of operation of the condominium based upon operation with occupancy of all of the units.

In our opinion, the estimates are reasonable and adequate under existing circumstances. In addition, the estimated receipts shown therein, will be sufficient to meet the normal anticipated operating expenses for the first year of operation. However, because of the possibility of unforeseeable changes in our economy, possible increases or decreases in expenses of operation, this opinion should not be taken as a representation, guaranty or warranty of any kind whatsoever, or as any assurance that the actual expenses or income of the condominium for any period of operation will not vary from the amount shown. Nor should it be assumed that the condominium will not incur additional expenses, or that the Board of Managers may not provide for Reserves not reflected in such budget, or that the annual common charges for any period may not vary from amounts shown therein. It may be expected, based on current facts, that such items as maintenance, repairs, labor and other related expenses, will change in the future.

The opinions expressed in this letter are based upon our firm's experience in all phases of the real estate industry including

Re: The Washington's Head Quarters
Townhouses Condominium
Dobbs Ferry, New York

Gentlemen:

You have requested our opinion concerning certain income tax consequences relating to the ownership of units in the above-captioned Condominium of which you are the Sponsor.

Stated generally, each owner of a unit in a validly created condominium is treated under the present income tax statutes in essentially the same manner with respect to his unit as is any owner of a house held by him for residential purposes.

Thus, under present law, the payments by the owner of the real estate taxes assessed against his unit and of the interest on any mortgage covering his unit will be deductible to the same extent as those items are deductible by home owners generally.

It is further our opinion that if an individual, who purchases a condominium unit to be used as his principal residence, sells or has already sold another property which he used as his principal residence, whether a private home, a cooperative apartment or another condominium unit ("the prior residence"), such individual may be allowed to defer some part, or possibly all, of the income taxes which would otherwise be payable in respect of the profit on the sale of his prior residence.

Moreover, if an owner should sell his condominium unit after attaining age 65, he may qualify for the exclusion from taxable income of a prescribed portion of the profit on the sale of his unit.

September 30, 1976

In addition, to the foregoing income tax aspects, we wish to advise that a unit owner who is a veteran of the United States military forces may be entitled to an exemption for a part of the real estate taxes assessed against his unit, as is provided in the Real Estate Property Tax Law of the State of New York.

Please be advised that no warranties or representations can be made that there will be no changes in the present laws which constitute the basis of our opinion herein. In addition, we must advise you that a determination of the benefits to be derived by each individual from the allowable deductions, exclusions and exemptions necessarily involves consideration of his particular circumstances in the light of the applicable statutes, regulations and rulings. Accordingly, each prospective purchaser should consult his own attorney concerning the availability and extent of the benefits for which he may qualify.

We hereby consent to the inclusion of this opinion letter in the Offering Plan relating to the above-captioned Condominium.

Very truly yours,

PURCHASE AGREEMENT

EXHIBIT E

PURCHASE AGREEMENT

WASHINGTON'S HEAD QUARTERS TOWERS

(to be executed in triplicate - one copy to be
retained by the Purchaser)

Unit No.

WHEREAS, F & G Properties Corp. ("Seller") has promulgated a Plan of Condominium Ownership ("the Plan") pursuant to which the land with appurtenances and the condominium units ("the Units") being constructed thereon by Seller, located on Broadway, Village of Dobbs Ferry, Town of Greenburgh, Westchester County, New York, will be declared to be a condominium under the provisions of Article 9-B of the Real Property Law of the State of New York on the terms and conditions more particularly set forth in the Plan; and

WHEREAS, **(Purchaser)** has received at least 48 hours in advance and read copies of the Declaration to be made by Seller and to be recorded in the Office of the Clerk of Westchester County, the Plan and the schedules attached thereto, the By-Laws and the Rules and Regulations, all of which are incorporated herein by reference and made part of this Agreement with the same force and effect as if fully set forth herein; and

WHEREAS, there have also been exhibited to Purchaser floor plans (the "Floor Plans") for the captioned Unit and for the Building in which it is located ("the Building"), prepared by Ferdinand Gottlieb Associates, P.C., Architect, to be filed in the said Clerk's Office; and

WHEREAS, Purchaser is desirous of purchasing the Unit designated as Unit No. in the Declaration and on the Floor Plans, together with an undivided interest in the common elements appurtenant thereto (said unit and the undivided interest being hereinafter called "the Unit")

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, Seller and Purchaser, mutually agree as follows:

* 1. Payment for Unit. Seller hereby agrees to sell and Purchaser hereby agrees to purchase the Unit designated as Unit No. in the Declaration and on the Floor Plans to be filed in the Office of the Clerk of Westchester County, New York, for the price of \$ payable as follows:

(a) \$ on the signing of this Agreement, the receipt whereof by check drawn on a New York bank or trust company to the order to "F & G Properties Corp. Escrow", subject to collection, is hereby acknowledged; and,

(b) The balance of \$ (including the proceeds of the purchase money mortgage loan referred to in Paragraph 8 hereof, if any) at the closing of title as hereinafter provided in Paragraph 2.

2. Closing of Title. The closing of title shall take place at the office of any lending institution making a purchase money mortgage loan on the Unit or at such other place as Seller may designate, at an hour and on a date (hereinafter called the "Closing Date"), to be specified by Seller, no earlier than 20 days after the date on which written notice is given to Purchaser. The closing of title may be adjourned to such later date as the parties may agree upon in writing and such adjourned date shall then be deemed the Closing Date hereunder. The closing of title will take place by . 197 . However, the closing may be adjourned by the Sponsor for a period or periods up to six months beyond such date. A reasonable adjournment may also be had where the Sponsor is unable to deliver a completed unit because of strikes, acts of God or third persons beyond the control of the Sponsor.

At the closing of title Seller shall deliver to Purchaser a bargain and sale deed, without covenants against Grantor's acts, conveying the Unit to Purchaser, such deed to be in the form annexed hereto as Exhibit A (hereinafter called "the Deed"), executed and acknowledged by Seller in form, fee recording, with all necessary New York State Documentary Stamps affixed thereto at the expense of Seller.

Simultaneously with the delivery of the deed, Purchaser shall cause the mortgages of the purchase money mortgage hereinabove described, if any, to pay the proceeds thereof to Seller on account of the purchase price and Purchaser shall pay to Seller any balance of the purchase price by certified check of Purchaser, or cashier's check, to the order of Seller, drawn on a bank or trust company which is a member of the New York Clearing House Association.

Title to the Unit will close only after or concurrently with the following events:

- (i) The issuance of a temporary or final certificate or certificates of occupancy and any other necessary permits for the Unit;
- (ii) Recordation and filing of the Declaration, By-Laws and Floor Plans as required by law;
- (iii) the simultaneous closing of the purchase money mortgage loan referred to in Paragraph 8 hereof, if any;
- (iv) If Purchaser has requested title insurance at Purchaser's expense, the simultaneous issuance by a title insurance company of a binder agreeing to insure fee title to the Unit in Purchaser, in the amount of the purchase price, free and clear of all liens, encumbrances and other title exceptions other than those set forth in the Deed annexed hereto as Exhibit A and made a part hereof and the lien of the mortgage obtained by Purchaser, if any, and also agreeing to insure that the Condominium has been validly created pursuant to Article 9-B of the Real Property Law of the State of New York, as amended; and
- (v) The assignment by Seller to Purchaser of the manufacturers' warranties, if any, covering the appliances in the Unit.

3. Binding Effect of Declaration, By-Laws, Plan, Rules and Regulations. Purchaser hereby agrees to be bound by the Declaration, the By-Laws, the Rules and Regulations and the Offering Plan and they are hereby deemed incorporated herein. Any inconsistency between the Purchase Agreement and the Offering Plan shall be resolved in favor of the Offering Plan.

4. Marketable Title. Seller agrees to convey to Purchaser good and marketable title in fee simple to the Unit free and clear of all liens and encumbrances other than those set forth in the Deed annexed hereto and made a part hereof and the purchase money mortgage referred to in Paragraph 7 hereof, if any.

5. Purchaser to Pay Expenses of Closing. Purchaser will pay the following closing costs and expenses as set forth on Page 24 and 25 of the Offering Plan.

Estimated real estate taxes for the tax year in which title closes, and estimated common charges and expenses for the month in which title closes (as estimated in Exhibits 8 & B of the Offering Plan) shall be adjusted

between Seller and Purchaser as of the date of closing of title.

6. Agreement Subject to Mortgages. Purchaser agrees that all terms and provisions of this Agreement are and shall be subject and subordinate to the lien of any building loan mortgage heretofore or hereafter made and any advances heretofore or hereafter made thereon and any payments or expenses already made or incurred or which may hereafter be made or incurred, pursuant to the terms thereof, or incidental thereto, or to protect the security thereof, to the full extent thereof without the execution of any further legal documents by Purchaser. This subordination shall apply whether such advances are voluntary or involuntary and whether made in accordance with the building loan schedule of payments or accelerated thereafter by virtue of the lender's right to make advances before they become due in accordance with the schedule of payments. Notwithstanding anything to the contrary contained in this Paragraph 6, however, on the Closing Date the only mortgage to which the Unit will be subject will be the purchase money mortgage referred to in Paragraph 7 hereof, if any.

7. Mortgage Loans Procured by Seller. This Agreement shall be conditioned upon the issuance to Purchaser of a commitment by a lending institution (hereinafter called "the Bank") for a self-liquidating purchase money mortgage loan covering the Unit in the amount of \$, payable over years in equal monthly installments to be applied first to interest at the maximum rate permitted by the General Obligations Law of the State of New York and the rules and regulations promulgated by the New York State Banking Board as of the Closing Date, computed on the balance of principal remaining unpaid from time to time, and the balance to the reduction of principal, until years after the Closing Date, when any then unpaid balance shall be due.

If Purchaser desires to obtain such mortgage loan, Purchaser agrees to make prompt (no later than 10 days after the signing of this Agreement), diligent and truthful application to the Bank for such mortgage commitment and agrees to supply the Bank with all references and other information required by it in connection with the granting of such commitment. In the event that Purchaser shall have made such application and thereafter the Bank shall refuse or fail to issue such commitment within 30 days from the date of Purchase Agreement then Purchaser shall notify the Seller that he has not been able to obtain such a commitment

and then unless Seller shall within thirty (30) days of notification by Purchaser that he has not obtained a mortgage, obtain a mortgage commitment for a purchase money mortgage loan covering the Unit in the amount of \$
on substantially the same terms, or shall agree to take back a purchase money mortgage in that amount, on substantially the same terms and conditions and in substantially the same form, Seller or Purchaser may elect to rescind this Agreement by notice to the other sent within ten (10) days after the expiration of Seller's time to procure such commitment and neither party shall have any further liability to the other hereunder, except that there shall be returned to Purchaser all monies paid pursuant to this Agreement, without interest.

Purchaser hereby agrees to execute at the closing the bond or note, mortgage and any other documents necessary or required by the Bank, the Seller or other lender. Purchaser will pay, at closing, recording fees for the deed, charges as shown in the Offering Plan, escrow deposits required by the Bank, interest on his mortgage from date of closing to the end of the month.

8. Manner of Payment of Purchase Price. Purchaser may, at his election, pay the purchase price all in cash and without accepting any purchase money mortgage loan, or he may, if he chooses, accept from the Bank a mortgage loan in the maximum amount or a smaller mortgage loan, at his own expense, provided that the form of mortgage that he executes shall be in the form of the New York statutory form of mortgage except for such variations as may be legally necessary in order to permit the lender to make the loan.

9. Default by Purchaser. The time for the payment of the purchase price hereunder is of the essence of this Agreement. In the event Purchaser shall fail to make any payment on the date hereinbefore provided or on such later date as the parties hereto shall agree upon, or shall fail to perform any of Purchaser's other obligations hereunder, Seller may send notice to Purchaser of Seller's intention to cancel this Agreement if such default shall not be cured within five days thereafter. If within said five-day period Purchaser shall fail to cure such default, Seller may, at its option, cancel this Agreement by notice of cancellation to Purchaser sent within 30 days after the sending of the said notice of intention to cancel. If, before the sending of notice of cancellation Purchaser shall have failed to cure said default the Seller shall cause all payments made by Purchaser pursuant to this Agreement then held in escrow, which payments, together with all other sums theretofore paid by Purchaser hereunder not, however, to exceed an amount equal to 10% of the total purchase price plus all sums expended by Sponsor for additional equipment or installations requested by Purchaser to be retained by Seller as liquidated

damages and each of the parties hereto shall be relieved of any further liability or obligation to the other hereunder. If this Agreement shall be cancelled by Seller pursuant to the provisions of this Paragraph 9, Seller may sell the Unit to any third party and Seller shall be under no obligation to account to Purchaser for any part of the proceeds of such sale.

10. **Agreement May Not Be Assigned.** Purchaser shall have no right to assign this Agreement without the prior consent in writing of Seller and any purported assignment of this Agreement in violation hereof shall be voidable at the option of Seller.

11. **Notices.** Any Notice to be given hereunder shall be in writing and sent by registered or certified mail to Purchaser at the address given below or to Seller at 52 Broadway, Dobbs Ferry, New York (with copy by registered or certified mail to Gottlieb Schiff Ticktin Fabricant & Sternklar, P.C., 535 Fifth Avenue, New York, New York) or at such other address as either party may hereafter designate to the other in writing. The date of mailing shall be deemed to be the date of the giving of notice, except that the date of actual receipt shall be deemed to be the date of the giving of any notice of change of address.

12. **No Representation.** Purchaser represents to Seller that Purchaser has examined the Floor Plans for the Unit and the plans and specifications for the Unit. Purchaser acknowledges that he has not relied upon any representations, warranties or statements made by Sponsor or others, including, but not limited to, any relating to the description or physical condition of the Unit, the size or the dimensions of the Unit or the rooms therein contained or any other physical characteristics thereof, the building services, the estimated common charges and expenses allocable to the Unit, or the right to any income tax deduction on account of any real estate taxes and/or mortgage interest paid by Purchaser, except as set forth herein or in the Declaration, the By-Laws or the Offering Plan specifically set forth. Purchaser agrees that Seller shall have no liability or responsibility to Purchaser if the layout or dimensions of the Unit or any part thereof or of the common elements as shown on the Floor Plans or on the plans and specifications for the Building are not accurate or correct provided such layout or dimensions conform substantially to the Floor Plans and the plans and specifications for the Unit as modified or supplemented in accordance with the Plan and that

Purchaser will not be relieved from his obligations hereunder by reason of any minor inaccuracy or error.

13. Title Insurance. If so requested by Purchaser, Seller will obtain for Purchaser at the closing of title, at Purchaser's expense, a certificate issued by a title insurance company agreeing to insure Purchaser's title to the Unit subject only to the exceptions set forth in the Deed annexed hereto, the conditions of the standard title insurance policies written by such company, the above described purchase money mortgage, if any, the conditions set forth in this Purchase Agreement and the provisions of the Declaration and the By-Laws.

14. The Offering Plan requires and the Purchaser hereby agrees to deposit with the Board of Managers at the closing \$100.00 to create a capital equipment purchase fund and an additional \$100.00 to be held in escrow by the Board until the first annual meeting of the Unit Owners. The foregoing is more particularly described in the Offering Plan.

15. It is agreed that the delivery and acceptance of the deed at the closing of title, without specific agreement in writing which by its terms shall survive such title closing, shall be deemed to constitute full compliance by Seller with all of the terms, conditions and covenants of this contract on its part to be performed except as to those covenants and agreements which by the Offering Plan are made to survive title closing. It is further agreed that trial by jury in any action, proceeding or counter-claim arising out of or from this Agreement is hereby waived by the Purchaser.

16. Recording of Deed. At the closing of title, Purchaser will deliver the executed deed received from Seller to the representative of the title company insuring Purchaser's title, or if there be no representative of the title insurance company present, the attorneys for Seller, for recording in the Office of the Clerk of Westchester County at the expense of Purchaser.

17. Binding Effect. This Agreement shall not be effective or binding on Seller until a duplicate hereof is executed by Seller and delivered to Purchaser.

Subject to the provisions hereof, this Agreement shall bind and injure to the benefit of the parties hereto, their heirs, personal representatives, successors and assigns.

18. Agreement Subject to Filing of Declaration. This Purchase Agreement is contingent upon the Declaration being filed on or before September 30, 1977. The Plan may be abandoned by Seller at any time prior to its being declared effective and shall be abandoned.

and deemed abandoned if it has not been declared effective within the time prescribed by the Plan as it may be amended. If the Plan is abandoned or does not become effective or if, after the Plan is declared effective, title to the Unit shall not close within the time set forth in the Plan for any reason other than Purchaser's default, this Purchase Agreement shall be deemed cancelled and not later than 45 days thereafter, Purchaser shall receive a refund in full, without interest, of all monies paid by Purchaser hereunder and upon such repayment, neither party shall have any claim against the other and both shall be released from all obligations hereunder.

19. Monies to be Held in Trust. Seller will hold all monies received by it through its agents or employees in trust until the closing of title on the unit. All such monies will be deposited by the Sponsor with Gottlieb Schiff Ticktin Fabricant & Stetnickler, P.C. as agents, and will be held in trust in a special account under the name of "Washington's Head Quarters Townhouses Condominium Escrow Account" which shall not bear interest. The funds so deposited will be disbursed only in compliance with the provisions of this Purchase Agreement and the Offering Plan.

20. Definitions. The term "Purchaser" shall be read as "Purchasers" if more than one person are purchasers, in which case their obligations shall be deemed joint and several.

21. Gender. The use of the masculine gender in this Agreement shall be deemed to refer to the feminine gender whenever the context so requires.

22. Other Agreements. This Agreement supersedes any and all understandings, and agreements between the parties and constitutes the entire agreement between them and no oral representations or statements shall be considered a part hereof.

23. Amendment of Agreement. This Purchase Agreement may not be amended, altered or discharged except by agreement in writing signed by the party sought to be charged therewith or by his, her or its duly authorized agent.

24. Brokerage. Purchaser represents and warrants to Seller that Purchaser did not negotiate with any brokers for the purchase of the Unit, other than a representative

of Sponsor.

23. **Captions.** The captions in this Purchase Agreement are for convenience and reference only and in no way define, limit or describe the scope of this Agreement, or the intent of any provision hereof.
